Boost your laptop's sound!

hear what's next™

USB speaker for laptops and netbooks

Small in size, big on sound, the Orbit USB gives your laptop the speaker it's always deserved. Powered by your USB port, the ultra-portable Orbit unleashes your sound wherever it's needed. With audio alignment technology the Orbit dishes out astonishing volume, clarity and depth. Built to survive, this tough little speaker can travel the distance. When finished, the Orbit winds tight with space designed to tuck away the integrated USB cable. Beautifully simple, this no-frills speaker lets your laptop finally do the talking.

Boost your laptop's sound to the level it deserves with the portable Orbit USB speaker. Just plug it in and rock out. This tiny speaker will blow you away with 360° of sound!
